

Aims & Objectives

The school has constituted the School Managing Committee “SMC” as per the norms of the government/CBSE.

The SMC shall include the following:

- To impart quality education in pursuit of excellence
- To develop all round personality of the child
- To achieve these aims, the society has established and is running several schools
- To inculcate patriotic, social, and ethical values for becoming a worthy citizen
- To instill civic sense and responsibility towards society
- To channelize the inexhaustible energy of the youth in the right direction co-relating scholastic attainments with creativity, self-sufficiency, and full utilization of talents

The objective is to develop an all-round personality of the children so that when they leave the portals of the school, they find themselves physically fit, mentally alert, morally sound, and emotionally well balanced. The product of this school is expected to be fully confident, forward looking a worthy citizen of the country. Whatever is useful and relevant in our ancient culture, is blended with modernity and is imbibed in the youth with innovations suited to the modern technological era.

The school makes no distinction of caste, creed, colour or class and provides admissions to all, irrespective of religion and nationality. The school is secular, having liberal and enlightened culture background.

Gurukul Mission School, Deoria has travelled a long and blissful journey, having grown, status and reputation. We also organize various activities during the year, befitting the occasion.
